Base URL

Note: In compliance with our security and privacy policies, the 'Try it Out' feature in the API docs and Resources tab has been disabled for some resources in this connector. For more information and a list of the affected resources, see our [documentation](#).

Note: Due to some vendor issues, the `GET/hubs/marketing/ad-accounts/{id}/insights` endpoint is not returning data.

The base URL for all API requests is

`https://api.openconnectors.us2.ext.hana.ondemand.com/elements/api-v2` .
