

# Close.io API Provider Setup

Last Modified on 02/01/2019 12:44 pm EST

## API Provider Setup

Follow these steps to retrieve your Close.io API Key. Via a web browser, go to <https://app.close.io/login/> and login to your account.

1. Click your account name in the top right corner, then click “Settings”

The screenshot shows the Close.io dashboard interface. The main content area is titled 'Opportunities' and displays a summary card with the following information:

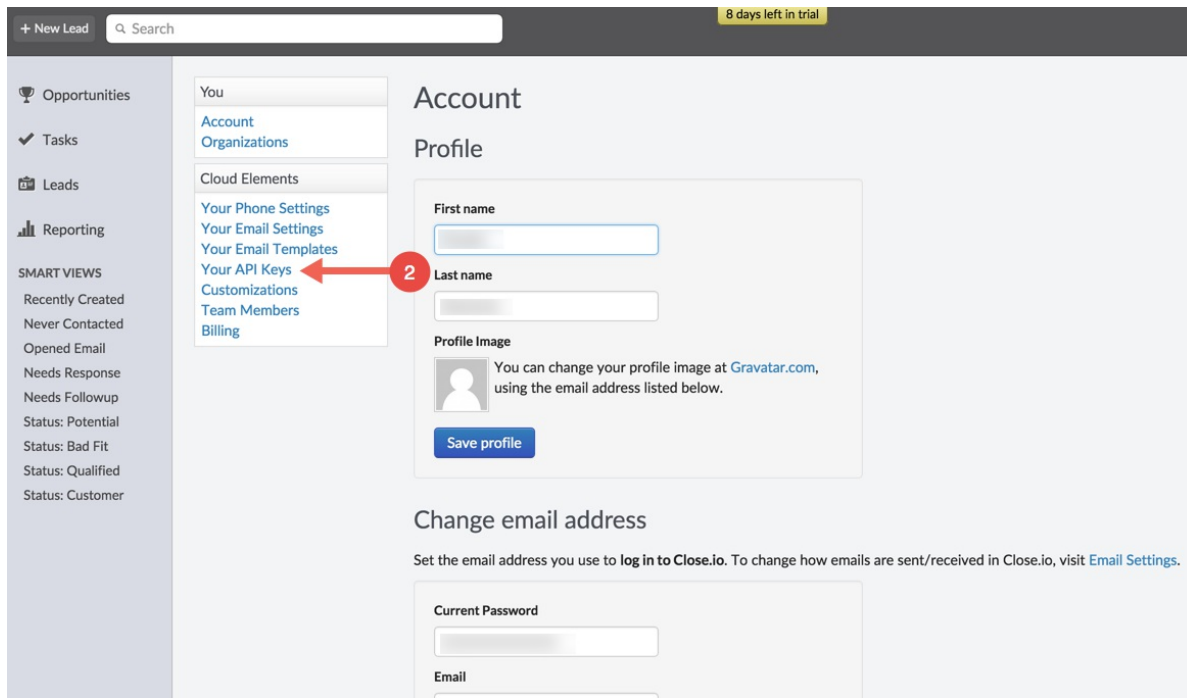

- Opportunities: 2
- Total Value: \$3,500 one-time
- Expected Value: \$2,625 one-time

Below the summary card is a table with the following columns: Lead, Value, Confidence, Close Date, Status, and User. The table contains two rows of sample leads:

Lead	Value	Confidence	Close Date	Status	User
<a href="#">Bluth Company (Sample Lead)</a> Gob's ready to buy a \$3,000 suit.	\$3,000	75%		Active	Claude E
<a href="#">Wayne Enterprises (Sample Lead)</a> Bruce needs new software for the Bat Cave.	\$500	75%		Active	Claude E

A tip box at the bottom of the opportunities section reads: "Tip: Add some opportunities... Opportunities can be created when viewing a lead. Search for an existing lead or learn how to add new leads."

2. Click “Your API Keys”

### 3. Copy the "API KEY"
