Release notes -- vhotfix-EL- 7657 (since vhotfix-SDR-3177)

Highlights

EL-7241 - Fixed reset password issue in Account lockout

- Fixed reset password issue in Account lockout

Note: Couldn't write any test for this scenario. For this case to reproduce, we need to

1. Soft lock the account
 2. Wait for 30 minutes
 3. Hard lock the account
 4. Reset the passwordNo way to perform the step 2.(Need to depend on the manual test for this one)
